DIRTBOSS: Built from the Ground Up

KEYNOTE TOPICS — 2026

■ Built from the Ground Up

How real confidence is built: standards, reps, decisions, identity.

■ Leadership Under Pressure

How to stay clear, calm and decisive when everything's moving.

■ Grit as a Skillset

The practices that keep you steady, not hardened.

■ Visibility, Credibility, Influence

How to lead when you're underestimated, interrupted, or outnumbered.

■ High Performance Without Burnout

How to keep your edge without losing yourself.

WHO I WORK WITH

- Leadership teams and executive groups
- Conferences and industry forums
- Women's leadership programs
- Entrepreneurial and innovation communities
- Teams navigating change, growth, or recovery

WHAT ORGANISERS CAN EXPECT

- Language people repeat afterwards
- Practical frameworks — simple and immediately implementable
- A reset in standards, ownership, and self-leadership
- The kind of talk that changes behaviour

ABOUT KIM

Grew up in a tin shed. Started a company from a home office with three kids under six. Built it into a multimillion-dollar civil construction company. Sold it after eighteen years. Now she talks about what that actually takes.

"Just because you could doesn't mean you should."
